£ 4,495

Description

Perkins T6354 165hp 6 Cylinder Turbo Intercooled Marine Diesel Engine Complete With Borg Warner 1:1 Gearbox. Also Other Borg Warner Gearbox Ratio Options Available. One of a pair removed from a 45ft powerboat as they were felt to be too small for the size of boat which is going classic powerboat racing and were taken in as a part exchange on a pair of 400hp diesels. Both engines start and run well and will shortly be fully serviced, cleaned and repainted to a good standard by our workshops. Advertised price is for an individual engine. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 01935 83876 for further details.
