Volvo - Volvo Penta D2-75 73hp Marine Diesel Engine

£ 4,495

Description

Volvo Penta D2-75 73hp Four Cylinder Turbo Intercooled Heat Exchanger Cooled Marine Diesel Engine With Control Panel & Wiring Loom Removed as part of a planned repower on a racing yacht due to a saildrive fault and taken by us as part exchange. Running hours just under 2000 from new. A very clean engine that starts instantly and runs very sweetly indeed. This is an early model D2-75 so no dreaded MDI control unit. This engine has simple relays in the wiring harness and the older style black dash panel. Fully serviced and ready to install. Currently offered as a bobtail but can be made available with choice of MS25A or HS25A gearboxes if required. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 01935 83876 for further details.
