Volvo - Volvo Penta TAMD31A 130hp Marine Diesel Engine (PAIR AVAILABLE)

£ 5,295

Description

Volvo Penta TAMD31A 130hp Four Cylinder Turbo Aftercooled Heat Exchanger Cooled Marine Diesel Engine. We have a pair of these units available, removed from a small landing craft being converted to outboards to meet requirements of a change in role for the vessel. The engines are complete with sterndrive adaptor housings, control panels and wiring looms. Both engines are in full working order with no apparent defects observed during a 2 hour test run. They will shortly undergo a full strip, repaint and service, ready for resale. We also have a pair of Volvo Penta 290SP sterndrives and transom shields for these engines which can be made available at extra cost. Advertised price is Per Engine. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call our office for further information on 01935 83876.
