

**Yanmar - 4LH-DTE 170hp Marine Diesel Engine****£ 4,495****Description**

Yanmar 4LH-DTE 170hp 4 Cylinder Turbo Intercooled Heat Exchanger Cooled Marine Diesel Engine. Currently available as a bobtail engine in full running order. This engine was taken as a part exchange against a more powerful Yanmar and is reported to have run just over 750hrs from new. Originally fitted in a Sea Ray motor cruiser so has not been used commercially. The original instrumentation remained on the boat to be used with the new engine but we have a suitable Yanmar control panel & loom that will be included with the engine. Our workshops have inspected the engine, test run it, and have serviced it with new oil and filters. It can also be repainted to a high standard upon request. Shipping can be arranged anywhere in the UK or Worldwide at buyers

cost. Please call 07809 524834 for further details.
