

Volvo - MD21B 61hp Marine Diesel Engine Package
£ 2,495

Description

Volvo Penta MD21B 61hp 4 Cylinder Heat Exchanger Cooled Marine Diesel Engine Complete With Mounts, Control Panel, Wiring Loom and Volvo Penta MS3B Gearbox. Removed from a Hallberg Rassy as part of a planned modernisation of the vessel with just under 3000hrs use. In full running order when removed having been owned by the same engineer owner from new. It starts immediately and runs very nicely. Test run, serviced, cleaned and repainted at our workshops, this engine offers a lot of power for the money. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 07809 524834 for further details.
