Volvo - MD 100B

£ 3,995

Description

Volvo Penta MD100B 162hp Keel Cooled Marine Diesel Engine (PAIR AVAIL) Volvo Penta MD100B 162hp Six Cylinder Naturally Aspirated Keel Cooled Marine Diesel Engine. We have a pair of these units available producing 162hp @ 2000rpm. No turbochargers and about as mechanically basic as you can get! Cubic capacity is 9.6L so good low revving power. Ideal for replacing a Gardner or similar. Although keel cooled, the vessels these were removed from had water cooled exhausts so the engines do currently have gear driven sea water pumps fitted on them so could easily be heat exchanger cooled with the fitment of an appropriately sized heat exchanger. One engine is fitted with an SCG 1:1 hydraulic gearbox, the other unit is a bobtail. Unit without gearbox £3995 Unit with gearbox £4395 Pair of units without gearboxes £7495 Both have been test run at our workshops and start instantly from cold. No evidence of any crank case pressure, leaks or undue smoke etc. Now serviced and ready for work. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 01935 83876 for further details.
