

**Lister Marine - LPWS4****£ 2,495****Description**

Lister LPWS4 39hp Marine Diesel Engine Package Lister LPWS4 39hp Four Cylinder Heat Exchanger Cooled Marine Diesel Engine Package With PRM 150 Hydraulic Gearbox, Control Panel & Wiring Loom. This engine was removed from a small launch which was carried onboard a superyacht and has therefore had limited use. It was replaced as it would not start one day and this has since been traced to a faulty fuel pump which has been replaced. The engine now starts instantly whether hot or cold and runs very nicely with plenty of power. Test run and serviced by our workshops and ready for use. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 01935 83876 for further details.
