

Doosan - L086TIL**£ 4,295****Description**

2006 Doosan L086TIL 360hp Bobtail Marine Diesel Engine Just into stock, a 2006Yr Doosan L086TIL Marine Diesel Engine producing 360hp at 2500Rpm. For sale as a bobtail engine only but a gearbox may be available by separate negotiation. Recent head gasket change (preventative maintenance), recon turbo and recon starter. This engine has run just over 10,000hrs and been with the same owner from brand new where it was serviced every 200hrs without fail. Now being replaced as a larger engine is required for powering new equipment. It starts on the button and runs extremely well with no discernible knocks, leaks, rattles etc. All fluids are clean and in their proper places. The engine can be supplied thoroughly cleaned and repainted in a choice of colours or left exactly "as removed" in original condition at buyers choice. The engine will be serviced with new oil and filters prior to dispatch. Shipping can be arranged anywhere worldwide at buyers cost and part exchange of running or non running marine engines always considered. Please call 07809 524834 for further details.
