Description

SABB 2JHR 30hp Twin Cylinder Marine Diesel Engine - Very Low Hours!!! Two More New Units Just In! Rare Sabb 2JHR 2 Cylinder 30hp Marine Diesel Engine Complete With Gearbox and a new control panel and wiring loom. If you want a traditional heavyweight marine engine, they don't come any more serious than a Sabb!! Built in Norway to a traditional design that has served the local fishermen for decades. We have a selection of these rare units available, all ex ship lifeboats so have had an easy life with very little use. Available for either sea water or skin tank / keel cooler installations. All fitted with electric starting and alternator plus the traditional raised hand starter system as well. Perfect for traditional narrowboats with a heavy flywheel delivering high torque at low RPM but equally suitable for classic yachts and launches too. Test run and serviced at our workshops as well as being cleaned, degreased, primer coated and painted in heat resistant engine paint. (Can be painted in buyers choice of colour by special arrangement) Selection of propellers and shafts also available. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 01935 83876 for further details.
