

Beta Marine - 20**£ 2,195****Description**

Beta 20 20hp Marine Diesel Engine Package Beta Marine 20 - 20hp Three Cylinder Heat Exchanger Cooled Marine Diesel Engine Complete With TMC40 Gearbox, Control Panel & Loom. This engine was taken as a part exchange and was removed because it failed to start after a long period of sitting idle (around 7 years). This was later found to be a stuck fuel pump. It was stripped down at our workshops and has had new big end bearings, cylinders honed, valves lapped and reassembled with a new gasket set. It has also been upgraded with the later type flat drive belt kit and a higher output alternator. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 01935 83876 for further details.
