Perkins - 1004

£ 4,395

Description

Perkins Phaser 1004 86hp Marine Diesel Engine Package Perkins Phaser 1004 86hp Four Cylinder Naturally Aspirated Heat Exchanger Cooled Marine Diesel Engine With Borg Warner 2:1 Hydraulic Gearbox and new set of flexible engine mountings. This engine was originally marinised by Lancing Marine and fitted to a 24ft launch. The launch is now being repurposed for commercial fishing and needed a smaller engine for licensing purposes so it has been replaced with a smaller 50hp engine. Starts instantly and runs very nicely indeed with no smoke, leaks, weeps or funny noises. As with all our used engines, it has been test run for two hours and fully serviced, ready to fit. Ideal for replacing an old Ford 4 Cylinder or BMC 3.8, Cummins 4BT etc. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 07809 524834 for further details.
