

**Lister - HRW2**

£ 2,495

**Description**

Lister HRW2 MGR 29hp Marine Diesel Engine Lister HRW2 MGR 29.5hp Twin Cylinder Keel Cooled Marine Diesel Engine With 2:1 Borg Warner Hydraulic Gearbox Not often we see one of these! It has recently been removed from a decommissioned ships lifeboat in full running order. Starts and runs well from cold and holds 35-40psi oil pressure at low idle. Being ex lifeboat it has had very little use which accounts for its good mechanical condition. Very well suited for a traditional narrowboat with an engine room as it is a monster of an engine and will idle so slowly you can almost watch the flywheel going round! This engine weighs over half a ton so please don't expect it to fit in a small launch or sailing yacht! Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 07809 524834 for further details.
