Twin Disc - MG 514

£ 3,495

Description

Twin Disc MG514U V Drive Hydraulic Gearbox Twin Disc MG514U V Drive Hydraulic Gearbox With Oil Cooler. We have a choice of three units available, all in working order with very low hours from ex government vessels which have been repowered. Mechanical gearshift actuators fitted. They were originally used in conjunction with Volvo Penta TAMD122D 480hp engines and are designed to be mounted remotely from the engine. We also have two of the Volvo Penta TAMD122D engines remaining in stock. These are heavy duty commercial gearboxes and weight is approximately 500kg per unit. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 07809 524834 for further details.
