Description

Volvo Penta 2003T 43hp 3 Cylinder Turbocharged Marine Diesel Engine Complete With Volvo MS2B Gearbox, Control Panel & Wiring Loom. Very clean engine and a good starter and runner, ready to go back to work. Removed from a yacht where it was originally fitted to a Volvo Saildrive and replaced only because of a fault with the saildrive unit. Our workshops have fitted the engine with a Volvo MS2B gearbox (2.37:1 reduction) adaptor plate and rear mounts to make it a standard shaft drive model. Shipping can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 07809 524834 for further details.
