£ 4,395

Description

Nanni 5.250TDI 85hp Five Cylinder Turbo Intercooled, Heat Exchanger Cooled Marine Diesel Engine Complete With Gearbox, Control Panel & Wiring Harness. We have a choice of three of these units available, all in full working order having been changed as part of a fleet repower project. All three engines have been operated in fresh water so coolers etc are in excellent condition. All three have run circa 7500hrs and have been meticulously maintained with original Nanni parts by the same operators from new. Engines are running 12V electrical systems and are fitted with twin alternators. Tested and inspected by our workshops in very good running order and ready for use. Delivery can be arranged anywhere in the UK or Worldwide at buyers cost. Please call 07809 524834 for further details.
